

GATTIS:

A RECORD OF LOWERING PROPERTY TAXES

APPRAISAL REFORM

Dan will pass a truth in taxes law. If your appraisal is reduced by a certain percentage, your tax rate must also be reduced.

BALANCED BUDGET

Dan insists we maintain a balanced State budget.

BUSINESSES & JOBS

Dan will continue to advance pro-business policies and taxes, including opposition to a state income tax, and protect lawsuit reforms that have been realized over the past three legislative sessions.
